Experience

**Boston University** User Interaction Design Fellowship

Collaborated with developer and program manager to redesign website for a health care platform, Global Joy. Conducted user research, and developed wireframes before designing a consistent interface and UI graphics. Participated in educational UX/UI workshops, consulted with a UI mentor regularly, and reviewed project progress with team weekly.

Boston, MA — Sept - Dec 2018

**Extension Engine** Graphic Design Intern

Designed original printed and digital marketing assets including white papers, slide templates, data visualizations, landing pages, digital ads, publications and banners. Created graphics and presentation layouts for collegiate level online courses. Actively participated in weekly meetings with the Marketing and Creative Teams.

Cambridge MA — June - Oct 2018

**Sodexo** Clinical Dietitian

Provided inpatient, outpatient and management position coverage for various hospitals and facilities in Massachusetts. Coordinated with interdisciplinary teams to provide the best patient care. Developed and led nutrition seminars for patients and staff. Designed and implemented educational materials and presentation layouts.

Various Locations, MA — Aug 2015 - Aug 2017

**McLean Hospital** Nutrition Care Assistant

Prepared meals for patients with eating disorders according to specific dietary needs. Enforced hospital protocols during mealtimes, organized and led cooking classes for patients, and redesigned patient menus used throughout the facility.

Belmont, MA — Nov 2013 - 2015

Education

**Boston University** MFA in Graphic Design, 2019

**University of Rhode Island** MS in Nutrition & Dietetics, 2016

**University of Kentucky** BS in Nutrition & Dietetics, 2012
